

Office Action Response, 29/226,407, Eye Ojo, Sunglass Case

Inventor: Anthony DeRose

Application/Control Number: 09/990,326

Title of Invention: Display signs and ornaments for holiday seasons

Response to Office Action

In response to the restriction requirement in the recent Office Action, Applicant selects, without traverse, Species 1, the ornament string illustrated in Figure 10 and represented by independent claims 1 and 12.

The claims we believe should be examined with the selected species are: 1 – 7, 12 – 33.

Remarks

I certify that this response to the Office Action adds no new matter to the application.

Respectfully submitted,

Eric Hanscom
Attorney for Applicant
